TIP Assessment

- <mark>Track time it takes for the teacher to finish assessment.</mark>
- Add tool tips.
  - Feedback/Email Link
    - As a <TIPS user>, I want
    - <to email feedback to admins> so that
    - <admins can receive feedback and communicate with TIPS users>
    - <u>Acceptance Criteria</u>
      - Format how email should look
      - User has access to form
      - User can choose from drop-down category of feedback
      - User can submit form to admin email
      - Link submitted to admin
- <mark>Incentive to complete assessment to view public/submitted works from other teachers?</mark>
- <mark>Separated into pages. (Status bar)</mark>
- <mark>Different ways to answer questions. (Radio/textbox/drop down)</mark>
- <mark>Teachers can go back to previous questions.</mark>
- <mark>Teachers can save their progress. Will be picked back up as soon as they log back in. (Lock them into completing before they perform any other actions?)</mark>

(These are the changes to the highlight, review and merge the changes if they are acceptable)

· As a teacher, I want TIP to show me the time that has passed to finish the assessment.
  - Acceptance Criteria:
    - § User time will be recorded.
    - § User is presented with a timer.

· If I <teacher> am stuck on a question, I want a tooltip that clarifies or gives an example on how to answer the question.
  - Acceptance Criteria:
    - § The tool tip provides clarity to the question.
    - § Tooltip is hidden till the user needs it.
    - § If the user needs more clarification, they can email/contact an admin/user help desk.

· As a teacher, if the assessment is separated into pages, I won't feel overwhelmed by all the questions.
  - Acceptance Criteria:
    - § One question per page.
    - § Users can skip questions and come back to them later.

- I \<admin\> want different ways for teachers to answer the questions.
  - Acceptance Criteria:
    - § Questions will be presented as a textbox, textarea, radio, or drop down menu.

- As a teacher, I want to know how far I am into the assessment.
  - Acceptance Criteria:
    - § Users will be presented with a progression graphic(Status bar)/percentage complete.

- Optional: As an admin, I want to give incentives to complete assessments. Possibly in the form of being able to view public/submitted works from other teachers.
