- TIP Editor
  - As a <admin>, I want
  - <to create a TIP questionnaire> so that
  - <TIPS users can fill out and submit to admins>
  - Acceptance Criteria
    - Narrow down tech & structure of editor
      - Utilize http://surveyjs.org/index.html to make questionnaires
    - Create security features (only admin can use editor)
      - Need to what users are admins and how they are promoted to admin
    - List down questionnaire features (style of question, etc.)
    - Collaborate with front-end and back-end for integration
